HOLIDAY GIFT CAMPAIGN

*Joy Comes
in the
Morning*

Let's face it, when children smile on Christmas morning, all seems right in the world. However, too often throughout the Atlanta metro area, children in foster care don't get to experience the joy. You see, many children have witnessed personal tragedies, stressors and hardships, to no fault of their own.

*Give a Toy
Give a Smile*

Rodney Evans' heart was touched to help make a difference for foster care children and more than 19 years ago, For The Children, Inc. (FTC), a 501(c)3 non-profit organization, created its "Give a Toy, Give a Smile Holiday Gift Program". Joining forces with area caseworkers, foster parents, organizations, corporations and countless volunteers, FTC provides hundreds of metro Atlanta's underserved children and youth in foster care with fun-filled toys and needed gifts.

It's All About the Children

"It's been a blessing having the opportunity to volunteer in foster care for more than 34 years. I have to admit that it's also been disheartening too many times, hearing cases of abandoned, abused and children in need. **Give a Toy, Give a Smile** was created to help bring joy in the midst of pain for innocent children."
