Joy Comes in the Morning

Let's face it, when children smile on Christmas morning, all seems right in the world. However, too often throughout the Atlanta metro area, children in foster care don't get to experience the joy. You see, many children have witnessed personal tragedies, stressors and hardships, to no fault of their own.

Give a Toy, Give a Smile

Rodney Evans' heart was touched to help make a difference for foster care children and 20 years ago, For The Children (FTC), a 501(c)3 nonprofit organization, created its ***Give a Toy, Give a Smile Holiday Gift Program***. Joining forces with area caseworkers, foster parents, organizations, corporations, and countless volunteers, FTC provides hundreds of metro Atlanta's underserved children and youth in foster care with fun-filled toys and needed gifts.

Ready to become a Smile-giver?

COLLECT! Want to help us collect toys? Just place a bin at your workplace, community organization and/or church!

DONATE! Toys and gift cards (various denominations) from area stores will be welcome or you may make a secure donation online at **giveatoygiveasmile.com**.

ENCOURAGE! Having a holiday gathering? Tell your family, friends, coworkers, neighbors and church members about **GTGS** and encourage them to bring toys to your holiday event to be donated to **GTGS**.

FTC will make arrangements with you to pick up all donations.

It's all about the Children

"It's been a blessing having the opportunity to volunteer in foster care for more than 36 years. I have to admit that it's also been disheartening too many times hearing cases of abandoned, abused and children in need.

***Give a Toy, Give a Smile** was created to help bring joy in the midst of pain for innocent children."*
